

EDUCATION

- August 2011 – May 2015 **Virginia Tech, Blacksburg, Virginia - May 2015**
BFA in Visual Communication Design - College of Architecture and Urban Studies
- May 2013 – June 2013 **European Immersion, Italy, Switzerland, Germany**
A well-rounded graphic design study abroad experience that featured master studies with Rosmarie Tissi and Lucio Passerini, lectures in the Basel poster museum, and exposure to the cultural personalities of major cities from Vitra, Germany to Rome, Italy.

EXPERIENCE

- February 2017 – present **Daniel Gale Sotheby's International Realty**
Graphic Designer
Small internal marketing team. Tasks include the design of marketing material/campaigns (e.g. print ads, direct mail, eMarketing, social media) for 850+ sales agents in 28 offices across Long Island.
- March 2015 – present **The Reboli Center for Art and History**
Graphic Designer
Local gallery on Long Island featuring work of renown painter. Worked to develop logo, branding materials, website, email and social media campaigns.
- August 2015 – February 2017 **Agency Access**
Graphic Designer
Full service marketing agency located on Long Island, NY. Daily tasks include designing promotional materials in collaboration with professional photographers, artist reps and illustrators to enhance their marketing campaigns. Some projects require working off the existing brand aesthetic of clients while others include developing new visual systems.
- August 2014 – May 2015 **FourDesign**
Graphic Designer
Student run, faculty led graphic design agency located on Virginia Tech's campus. Designers work on print, web and promotional materials for local Blacksburg clients.
- May 2014 – August 2014 **Lovesac**
Graphic Design Intern
Designers worked on print and web materials for events, and promotions. The internship's main task was designing the materials for the annual manager's event, Lovefest, which hosted over 150 employees from around the country. Responsibilities included working beside the Senior Designer to create and produce everything from name tags to presentations.
- September 2012 – present **Freelance Graphic Designer**
Lovesac - After the completion of internship, worked as freelancer for various tasks. These included presentations, receipt pads, store logo, google ads, and assorted other materials.
Sheascents - Gilda Leftenant owns an independent cosmetic company called Sheascents where I worked on the branding and packaging for special editions of her product.
